

ANDA Medical

Biodegradable Disinfecting Wipes

160 Bamboo Sheets

Product # BDW160

UPC # - 628011472021

Product Info:

- Kills 99.99% viruses, bacteria and fungi with the natural power of Hydrogen Peroxide.
- All-natural enzymatic wipes can tackle spills and grime without leaving any harmful chemicals behind.
- Environmentally friendly, biodegradable bamboo wipes.
- Particularly good for sticky messes! Enzymes break down adhesives, making them easier to wipe away.
- Easy to use - expedites the cleaning process.
- Non-toxic - no skin irritation.
- Safe to use on common surfaces.
- pH neutral
